Communication Plan

Effective communication is essential for a successful project completion. This document outlines the communication channels within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were shared and resolved.

S. No	Communication Type	Frequency	Channel Used	Participants	Purpose
1	Team Standup	Daily	WhatsApp Group Call	All Team Members	Track daily tasks and progress
2	Progress / Sprint Update	Weekly	Google Meet	Team & Mentor	Review project progress
3	Mentor / Guide Meeting	Weekly	Google Meet	Team & Mentor	Discuss blockers and get guidance
4	Stakeholder Update	Bi-weekly	Email	Team & Mentor	Report progress and milestones
5	Code Review Session	Weekly	GitHub	All Team Members	Review code quality before merging

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Difference in preferred communication tools	Standardized on WhatsApp for daily updates and Google Meet for scheduled meetings
2	Conflicting schedules among team members	Fixed a recurring time slot agreed upon by the whole team
3	Miscommunication on task ownership	Maintained a shared task tracker to keep responsibilities clear
