

Project Initialization and Planning Phase

Date	12 July 2026
Team ID	SWTID-2026-7566
Project Name	Credit Card Approval Prediction
Maximum Marks	3 Marks

Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	I'm trying to	But	Because	Which makes me feel
Applicant applying for a credit card	Get my credit card approved quickly	I don't know if I meet the eligibility criteria	I lack clarity on what factors affect approval decisions	Anxious and uncertain about the outcome

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Applicant applying for a credit card	Get my credit card application	I don't know if I qualify or what will get me	I lack visibility into how income, credit	Anxious, confused, and unsure about my chances of

		approved	rejected	score, and existing debts affect the decision	approval
--	--	----------	----------	---	----------

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-2	Bank/ credit officer reviewing applications	Quickly and accurately identify which applicants are low-risk	Manual review of every application is slow and inconsistent	There is no automated system to score applications based on historical approval data	Overwhelmed and worried about approving high-risk applicants
